Toleo hili la mwongozo linahusika sana na shughuli za karani wa kanisa mahali hasa zile anazozifanya kwa kupitia mfumo wa ACMS . Utakapokuwa katikakujifunza yale yaliyoandikwa humu ndani, utagundua kwamba kuna maelezo ya ziada yatakayokuwa yakinolewa kwa njia ya picha ya kile kitakachoonekana katika komputa yako, baadhi ya picha hizi hazitakuwa na maelezo lakini jaribu kuzitumia na uone matokeo ya kufanya hivyo yako namna gani. Jaribu kwenda katika sehemu ya Reports na uone nini kinatokea au unaweza kufanya ukiwa kama karani katika mfumo huu wa ACMS.

Ikiwa utahitaji msaada wa karibu zaidi kuhusu ACMS, tafadhali wasiliana na viongozi wa ACMS waliowekwa kwa ngazi ya kila kanda. Kama hupati msaada wowote au hujui kiongozi wako ni nani, tafadhali sana tuma ujumbe wa barua pepe kupitia: membership@gc.adventist.org for assistance.

2. KUINGIA KWENYE MFUMO WA ACMS

Timu yako ya ACMS wataanza kukutengenezea akaunti yako (watakufanyia usajili). Utapokea ujumbe kwa njia ya barua pepe uliyowapatia wasajili wako; kutakuwa na ujumbe unaokuelekeza kuisajili akaunti yako na unapokuwa umemaliza kuisajili akaunti yako, tembelea tovuti hii: <http://www.acmsnet.org> ili uingie kwenye mfumo. TINGAZIA: unapoingia tu kwenye ACMS, unaweza ukajikuta uko kwenye uwanja wa kuanza kufanya kazi moja kwa moja, kabla ya hapo kiongozi wako anapaswa kwanza akupatie uwezekano wa kuweza kushughulika na kazi za ushirika wa kanisa.

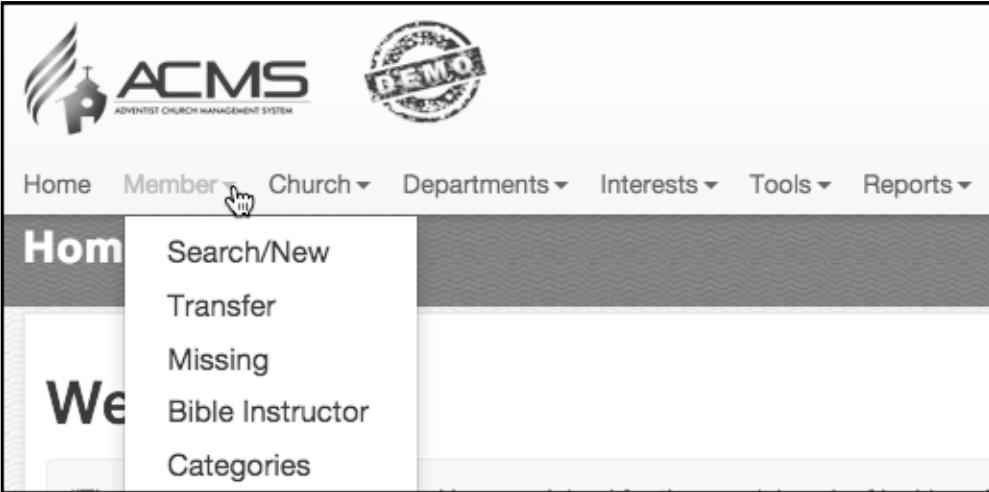

Utakapotembelea tovuti iliyoandikwa hapo juu, utakuta sehemu imeandikwa Sign In , Ingiza username na password kisha bofya palipoandikwa **Sign In**:

The screenshot shows the ACMS Sign In page. At the top left is the ACMS logo with the text "ADVENTIST CHURCH MANAGEMENT SYSTEM". Below the logo is the heading "Adventist Church Management System". A message says "You need a valid User Name and Password to sign in". Below that is a link "Click here to register". At the bottom left is a note: "Please visit our official website at: <http://membership.adventist.org/>". The right side of the page is titled "Sign In". It has fields for "User Name" (containing "maria.costa") and "Password" (containing masked text). There are links for "Reset your password" and "Remember me" (with an unchecked checkbox). A "Sign In" button is at the bottom right, with a cursor arrow pointing towards it.

3. SHUGHULI ZA USHIRIKA KATIKA MFUMO

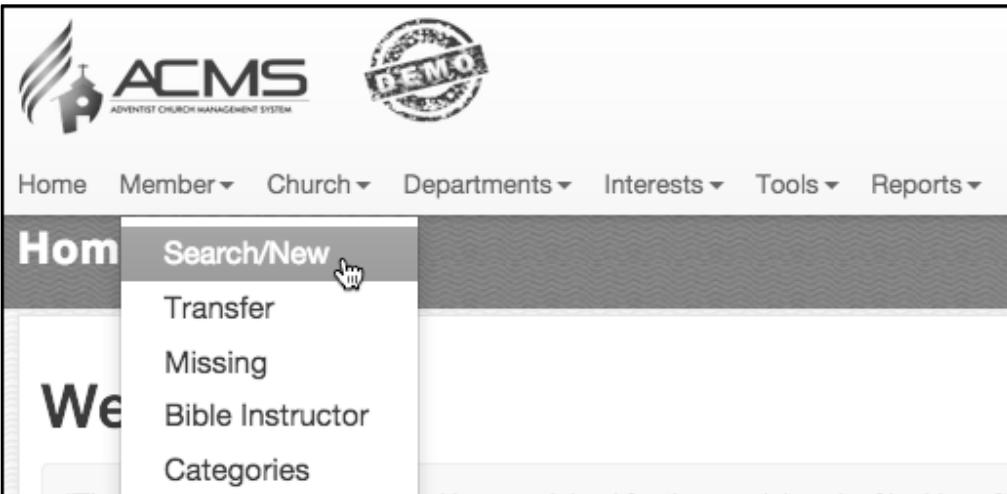

Mfumo wa ACMS umetengenezwa ili kusaidia kazi ya usimamizi wa Ushirika wa Waadventita Wasabato katika kanisa mahalia. Shughuli zote za ushirika zinapatikana mahali palipoandikwa **Member**:

The screenshot shows the ACMS (Adventist Church Management System) interface. At the top, there is a logo with a flame and the text "ACMS ADVENTIST CHURCH MANAGEMENT SYSTEM". To the right of the logo is a circular "DEMO" stamp. Below the logo is a navigation bar with links: Home, Member (which has a hand cursor icon over it), Church, Departments, Interests, Tools, and Reports. On the left side, there is a sidebar with large letters "Home" and "We". The main content area contains a list of member-related actions: Search/New, Transfer, Missing, Bible Instructor, and Categories.

3.1. Kusajili Mshiriki Mpya

Ongeza mshiriki mpya kwa kubofya mahali palipoandikwa **Search/New** ochini ya kimshale kwenye neno lililoandikwa **Member**:

This screenshot is similar to the one above, showing the ACMS interface. The "Member" menu is open, and the "Search/New" option is highlighted with a hand cursor icon. The other menu items in the dropdown are Transfer, Missing, Bible Instructor, and Categories. The rest of the interface, including the logo, navigation bar, and sidebar, remains the same.

Kisha, bofya mahalipalipoandikwa New upande wa kulia - juu wa screen yako:

The screenshot shows the ACMS Member Search interface. At the top, there's a navigation bar with links for Home, Member, Church, Departments, Interests, Tools, and Reports. A user profile for 'Maria Costa' is shown with a dropdown arrow. On the right is a search bar with a magnifying glass icon. Below the navigation is a search form titled 'Member Search/New'. It has tabs for 'Search' and 'Member'. A large search input field contains the name 'ALMODAD AMOS'. To its right are three checkboxes: 'Local' (checked), 'Active Only' (checked), and 'No phonetic search' (unchecked). A 'Search' button is next to the checkboxes. A note below the input field says: 'Hint: use "%' to search by last name only, %smith, for example'. There's also a '+ New' button.

Unaposajili mshiriki mpya hakikisha una tarehe ya ubatizo (**Date of ceremony**) na tarehe alipopitishwa kwa kura kuwa mshiriki wa kanisa (**Last Transaction**) kwa usahihi. Kwenye **Type** chagua **Baptism** kuonesha kwamba amekuwa mshiriki kwa njia ya ubatizo. ingiza jina la Mchungaji aliyembatiza (**Baptized by**). Hata hivyo, kabla ya kusajili mshiriki tunatakiwa kuhakikisha kwamba bado hajasajiliwa na hivyo basi bofya mahali palipoandikwa Search. Kama mshiriki huyu amesajiliwa kama mshiriki wa kanisa jingine, jina lake na taarifa zake zitaonekana, la sivyo hakuna kitakachoonekana kumuhusu, ndipo utaendelea na hatua nyngine.

Sehemu iliyoandikwa **No phonetic search** itausaidia mfumo kufanya kazi ya kutafuta kwa haraka zaidi, hasa pale unapotafuta jina ambalo unauhakika na jinsi mpangilio wa herufi zake ulivyo bila kukosea herufi kubwa au ndogo. Hii inaweza kuwa njia rahisi zaidi ya kutafuta majina ambayo yanaherufi za kawaida kuacha zele ambazo hazitumii konsonanti na irabu za kawaida (mfano. 黃健興). Hapa chini tunalitafuta jina la Carlos Santiago.

The screenshot shows the ACMS Member Search interface with the 'Baptism Ceremony' section selected. It includes fields for Date (01/03/2015), Place (Demo Church 25), and Baptized by (Eduardo Campo). Below this is the 'Last Transaction' section, which includes fields for Date (1/3/2015), Type (Baptism), Minute Number, Special Minute Number, First Bible Worker, and Second Bible Worker. At the bottom is a 'Search' section with fields for Full Name (Carlos Santiago), Birth Date (Optional), Mother's Name (Optional), and a 'No phonetic search' checkbox. A 'Search' button is also present.

Baada ya kuofya **Search**, orodha itaonesha majina yanayokaribiana na jina unalolitafura. Kama jina limeonekana utapaswa kufanya uchinguzi zaidi, ongea na huyo mshiriki, au mchungaji au ofisi za konferensi ili upate ushauri wa jinsi ya kufanya maana huyo mtu tayari ni mshiriki. Kama mshiriki hakuonekana katika orosha baada ya kumtafuta, bofya mahali palipoandikwa **Not Found**:

Baada ya kubofya **Not Found**, Program itafungua fomu ambayo inahitaji, Anuani, Mawasiliano, Taarifa nyignine zaidi na Taarifa zinazohusu ushirika wake msajiliwa. Kwa habari ya Taarifa kumhusu mshiriki Jina lake linahitaji, Jina la ukoo/la tatu linahitajika, Jinsia inatakiwa kufahamika, Tarehe ya kuzaliwa, Nchi aliyozaliwa na jinsi alivyofanyika kuwa mshiriki (taarifa hizi ni muhimu ili usajili kufanyiaka). Hata hivyo jaza taaifa zote kwa kadri inavyowezekana maana taarifa nyingi zaidi zitarahisisha zaidi huduma za ACMS.

ZINGATIA: Waulize viongozi wa ACMS katika kanda yako kuhusu namna ya kuwaunganisha watu pamoja hasa wale wa familia moja.

3.2. Kutafuta

Makarani wa kanisa wanaouwezo wa kutafuta taarifa flani za mshiriki kwa kuitia orodha ya washiriki. to find a specific person. Nenda mahali palipoandikwa **Search/New** chini ya mahali palipoandikwa **Member**:

Kidirisha hiki cha kutafutua kitajitokeza:

Member Search/New

Search	Member	+ New
<input type="text"/> Search <input checked="" type="checkbox"/> Local <input checked="" type="checkbox"/> Active Only <input type="checkbox"/> No phonetic search <input type="button" value="Search"/>		
Hint: use '%' to search by last name only, %smith, for example		

Mara nyingi utakuwa unamtafuta mshiriki hai katika kanisa lako mahalia. Hata hivyo, ikiwa utaondoa alama ya vema/tiki kwenye kiboksi kilichoandikwa Local, jina litatafutwa katika orodha zote ulizoruhusiwa kuzisimamia au kuzitazama, na kama ukiondoa alama ya vema/tiki kwenye kiboksi kilichoandikwa Active, program itatafuta watu ambao walikwisha kuondolewa ushirika wao.

KUMBUKA: Katika baadhi ya Konferensi na Misheni mshiriki hahesabiki kuwa washiriki mpaka wapitishwa na konferensi husika. Ikiwa konferensi yako inautaratibu huo hakikisha unawasiliana na katibu wako wa konferensi ili awarushusu watu hao kuonekana kama washiriki hai.

Katika kutafuta jina mtu anaweza kuandika jina kamili aua sehemu ya jina. Kwa mfano, "Carlos Santiago", mtu anaweza kuandika "Carlos" aua akaandika "%Santiago". Katiaa mfano wa mwisho alama hii ya % inamaanisha "sijui jina la kwanza ila jina la mwisho ni"

The screenshot shows a search interface with a search bar containing '%Santiago'. The search results table has columns: Code, Name, Birth Date, Mother's Name, Church, Entity, Active. One record is listed: 7156066, Carlos Santiago, January 01, Demo Church 25, GDC - NAUC, Active. There are edit, delete, and search icons in the last column.

Code	Name	Birth Date	Mother's Name	Church	Entity	Active
7156066	Carlos Santiago	January 01		Demo Church 25	GDC - NAUC	<input checked="" type="checkbox"/>

NOTE: Ili uipate orodha yote ya washiriki wako wa kanisa mahalia, usiingize jina lolote. Bofya tu mahali palipoandikwa **Search, hapo ndipo majina yote ya washiriki wako yataonekana. Mfano huu hapa chini unaonesha majina yote saba ya washiriki wa kanisa letu la mfano, na katika orodha kama hii unaweza kubofya kichwa cha habari katika jedwali ili kuonesha mpangiilio wa majina kulingana na taarifa unayohitaji.**

The screenshot shows a search interface with a search bar containing 'Santi Ratnia Sari'. The search results table has columns: Code, Name, Birth Date, Mother's Name, Church, Entity, Active. Multiple records are listed, including Santi Ratnia Sari, Carlos Santiago, Maria Costa, Tomas Mentoro, Carlos Hernandez, Meliana Aries Susanti Kabanga, and Anna Cordia. There are edit, delete, and search icons in the last column.

3.3. Kubadilisha baadhi ya Taarifa ya Mshiriki

Unapopokea baadhi ya mabadiliko yanayomuhusu mshiriki wako, kwa mfano mabadiliko ya anuani ya barua pepe, au aunataka kuweka picha yake ambayo hapo kwanza hukuiweka unaweza kufanya hivyo kwa kubofya mahali penye kialama cha kalamu kama hiki hapa: alama hii iko kando tu kidogo na jina la muhusika unayetaka kubadilishia taarifa zake. Ingaza taarifa unazotaka kubadilisha na kisha bofya mahali palipoandikwa **Save**.

The screenshot shows a software interface for managing church members. At the top, there are tabs for 'Search' and 'Member', and a button for '+ New'. Below these are search filters: 'Local' (checked), 'Active Only' (checked), and 'No phonetic search' (unchecked). A 'Search' button is also present. A hint below the filters says: 'Hint: use '%' to search by last name only, %smith, for example'. The main area displays a table titled '7 of 7 Records'. The columns are: Code, Name, Birth Date, Mother's Name, Church, Entity, Active, and a series of icons for edit, delete, and other actions. The data in the table is as follows:

6147543	Maria Costa	January 01		Demo Church 25	GDC - NAUC	<input checked="" type="checkbox"/>	
6200255	Meliana Aries Susanti Kabanga	March 30	Soes	Demo Church 25	GDC - NAUC	<input checked="" type="checkbox"/>	
6200264	Santi Ratna Sari	December 22		Demo Church 25	GDC - NAUC	<input checked="" type="checkbox"/>	
6157605	Tomas Mentoror	January 01		Demo Church 25	GDC - NAUC	<input checked="" type="checkbox"/>	

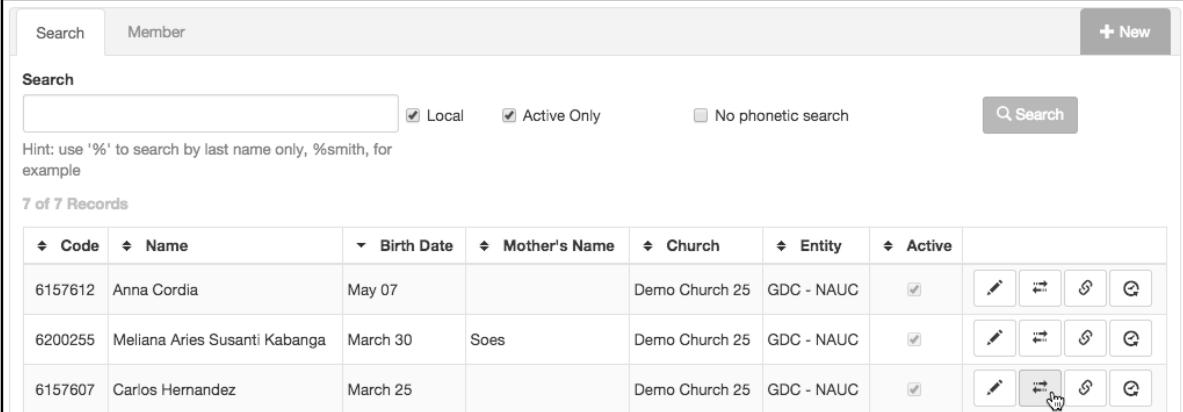

Below the table, it says '7 of 7 Records'.

Tip: Ili kuwatia moyo washiriki kuleta taarifa zinazohitajika, tengeneza "formu ya usajili" kwa ajili ya kanisa lako na uitawanye kwa kila mshiriki na uwaombe wairejeshe wakiwa wana maoni na wakiwa wameijaza. Formu hii utaipata mahali hapa kwenye mfumo:

Reports → Member → Member Reports → Registration Form.

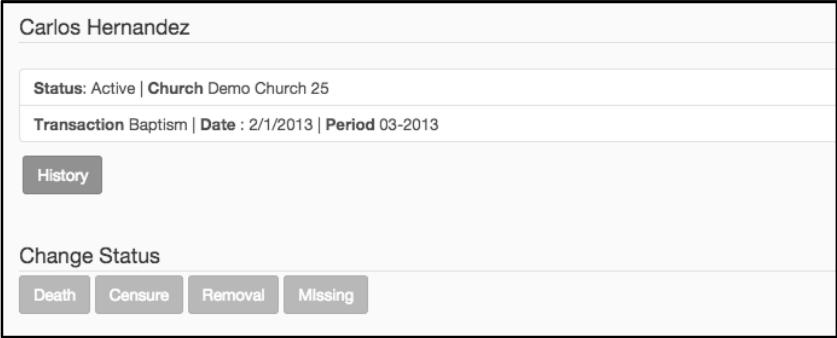

3.4. Kuondoa /Kufuta Ushirika

Ikiwa mtu amelala mauti, au kanisa limepigia kura kuondolewa kwa ushirika wake au kwaamba hakulikani alipo bofya alama hii  (Alama hii inaitwa Transaction Button) kando tu ya jina lake katika orodha ya washiriki. Hapa chini tutamuondoa Carlos Hernandez:

3.5. Uhamisho

Hatua za uhamisho zitaanza mara tu mshiriki anapokuwa amehamia kanisa jingine na kuongea na karani wake wa kanisa. Wewe kama karani unayempokea mshiriki huyo, nenda sehemu ilioandikwa **Member** na kisha bofya mahali palipoandikwa **Transfer**. Baada ya hapo bofya mahali palipoandikwa **Transferring to our church** na hapo utakuwa umeanza hatua za kuuleta ushirika wake kanisani kwako:

A screenshot of the ACMS software interface showing the "Member Transfer" page. The title bar says "Member Transfer". Below it, there are three tabs: "Transfer History", "Transferring to our church" (which is selected), and "Transferring out of our church". Under the "Transferring to our church" tab, there are "Filters" and "Period" sections. The "Period" section shows "Last Month" and checkboxes for Requested, Sent, Approved, Denied, and Canceled. A "Search" button is next to the filters. Below the filters, there is a "Members" section with a table header row containing columns for Date, Name, Birth Date, Sending Church, Receiving Church, and Status. At the bottom left of the page, there is a link "Transfer outside of ACMS".

Hapo mahali palipoandikwa **Transferring to our church**, ingiza jina la kanisa mahali ulipo ushirika wa huyu anayehama kwa wakati huo, andika pia jina lake na kisha bofya mahali palipoandikwa **Search**:

A screenshot of the ACMS software interface showing the "Member Transfer" page. The title bar says "Member Transfer". Below it, there are three tabs: "Transfer History", "Transferring to our church" (selected), and "Transferring out of our church". Under the "Transferring to our church" tab, there is a "New Request" section. It has two input fields: "Church" (containing "Demo Church 28 - Church - GDC") and "Name" (containing "Joel"). The screenshot shows a 'New Request' screen under the 'Transferring out of our church' tab. A search bar finds 'Joel'. The results table shows one record for 'Joel Morales' born 'March 03' with mother 'Francisca' and current church 'Demo Church 28'. A 'Send' button is visible at the bottom.

Name	Birth Date	Mother's Name	Church	Entity	Status
Joel Morales	March 03	Francisca	Demo Church 28	GDC - NAUC	

Kanisa linalopaswa kutuma jina la ushirika litapokea ujumbe wa ombi la uhamisho wa ushirika na watatakiwa kupitisha kuhama kwa jina hilo. Wao watakwenda kwenye mtandao wa ACMS na kuofya sehemu iliyoandikwa **Transferring out of our church**. watabofya sehemu ya ombi la uhamisho wa mshiriki, wataingiza tarehe na namba ya ajenda ya kupitisha ushirika wake na ndipo watabofya neno **Send**.

Kwa upande wa kanisa lako, yaani kanisa linalopokea ushirika, mtapokea ujumbe kwamba mshiriki ameruhusiwa kuhamisha ushirika kuja kanisani kwako na sasa mtapaswa kumpigia kura ya kumpokea kama mshiriki. Ile sehemu ya **Transferring to our church** itaonesha maombi yote ya uhamisho ambayo yako tayari kukubaliwa yakiwa na ujumbe huu: **Sent/Granted**. Baada ya kanisa kupiga kura ya kumpokwa, bofya kiboksi kushoto mwa jina la muhusika (itatokea alama ya vema/tiki) ingiza tarehe ya kura na namba ya agenda na kisha bofya **Accept**:

The screenshot shows a 'Pending Transfer Requests' screen under the 'Transferring to our church' tab. It lists one record for 'Joel Morales' from 'Demo Church 28 - Ikeq-GL' with status 'Sent/Granted'. Below, a 'Vote date for selected members' section shows '01/10/2015' and '123' with an 'Accept' button.

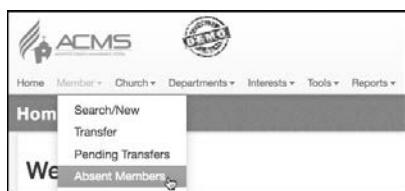

Name	Birth Date	Sending Church	Status
Joel Morales	March 03	Demo Church 28 - Ikeq-GL	Sent/Granted

Utakuja ujumbe ulioandikwa **Success** utaonekana katika komputa yako ikiwa mshiriki amefanikiwa kuhama. Kama umepata ujumbe unaooonesha Error, fuata maelekezo au wasiliana na wataalam wa ACMS ili upate msaada zaidi.

KUMBUKA: Makanisa yenyewe ACMS ndio yatakayofanikiwa kutumia program hii. Ikiwa kanisa lako halijasajiliwa katika mfumo huu wa ACMS tafadhali wasiliana na wahusika wa ACMS katika eneo lako ili kupata utaratibu wa uhamisho uliopo.

3.6. Wasiojulikana walipo

ACMS inaweza kusaidia kwa habari ya wale wasiojulikana mahali walipo. Kwa kuwaruhusu makarani kuonesha orosha ya wale wasiojulikana walipo, makarani wengine wanaweza kuonesha mahali muhusika alipo. Ili kulifanya hili Nenda kwenye New kisha nenda kwenye **Absent Member** kisha muweke mtu katika orodha ya watu wasiojulikana walipo.

Ili kumuweka mtu katika orodha ya watu wasiojulikana walipo bofya mahali palipoandikwa **Add to Absent Member List**, andika jina la mshiriki na kisha bofya **Search**:

A screenshot of the 'Absent Members' search interface. It shows a table with one row, where the first column contains a plus sign and the text '+ Add to Absent Member List'. Below the table is a search form with a 'Search' button and a 'Name' input field containing 'anna'. There is also a 'Q Search' button.

Ingiza tarehe kanisa lako mlipoanza kumtafuta mshiriki huyu rasmi (Inaweza ikawa ni tarehe hii ambayo unashughulika na kumtafuta katika ACMS au tarehe flani hapo kabla). Mwongozo wa kanisa unashauri kwamba mtu muhusika aanze kutafutwa miaka miwili kabla ya kuondolewa kwa jina lake ktk ushirika. Nenda kwenye jina unalolitafuta na kisha bofya **Include**. **Hata kama kanisa lako wamekuwa wakimtafuta mtu huyo kwa miaka miwili sasa, bado ACMS itaendelea kuhitaji mtu huyo atafutwe tena angalau kwa siku zingine 90.** Bofya kiboksi kushoto mwa jina husika na utaona alama ya vema/tiki kisha bofya **Include**.

A screenshot of the 'Absent Member List' details interface. It shows a table with one record. The columns are 'Name' (Anna Gordis) and 'Church' (Demo Church 25). Above the table is a search form with 'anna' in the 'Name' field and a 'Q Search' button. Below the table is a footer with a '1 of 1 Record' message and a 'Include' button.

Baadhi ya makanisa katika Konferensi yako, wanaoweza kusaidia kumtafuta/kumpata mtu huyor, wanaweza kutoa taarifa kwa kuitopia  mwishoni kabisa mwa jina la mtu anayetafutwa. Ikiwa jina husika lina maandishi yaliyokolezwa, maana yake mtu flani ameandika taarifa flani kumuhusu anayetafutwa. Ili kuionna taarifa hiyo bofya palepale kwenye kile kialama cha kwanza.

Ikiwa unataka kulifuta jina kutoka orodha ya wanaotafutwa, bofya  mbele kidogo tu baada ya jina husika.

Mara tu baada ya kulpigia kura, bofya katika kiboksi kushoto kidogo tu, kabala ya jina lake ya jina lake.
